This prospectus supplement amends the prospectus dated October 3, 2018 (the “Prospectus”). This prospectus supplement should be read together with the Prospectus. **Except as set forth below, the Prospectus remain unchanged.**

This prospectus supplement is being filed solely to amend and restate the information included under the heading “Regulations relating to Price Control” on pages 64 and “Summary Compensation Table” on page 69 to correct some inadvertent errors. Specifically, on page 64, the “revenue attributable to Xuejie powders” was incorrectly stated to be \$81,977(RMB518,680), \$30,043 (RMB202,202) and \$111,072(RMB736,064), for the period ended March 31, 2016, 2017 and 2018, respectively. The correct numbers should be \$32,296 (RMB 204,342), \$26,986 (RMB 181,726) and \$271,320 (RMB 1,798,011) for the period ended March 31, 2016, 2017, and 2018. Therefore, on Page 64, the “Regulations relating to Price Control” section included in the Prospectus is hereby deleted in its entirety and replaced with the following:

### *Regulations relating to Price Control*

The laws of the PRC provide for the government to fix and adjust prices. The prices of certain TCMP products we distribute, including those listed in the Chinese government’s catalogue of medications that are reimbursable under the PRC’s social insurance program, or the Insurance Catalogue, are subject to control by the relevant state or provincial price administration authorities. The PRC establishes price levels for products based on market conditions, average industry cost, supply and demand and social responsibility. In practice, price control with respect to these medicines sets a ceiling on their retail price. The actual price of such medicines set by manufacturers, wholesalers and retailers cannot historically exceed the price ceiling imposed by applicable government price control regulations.

We have only one product not found in the catalog and its name is Directly-Oral product XueJie (powders). The revenue attributable to Xuejie powders is \$32,296 (RMB 204,342), \$26,986 (RMB 181,726) and \$271,320 (RMB 1,798,011) for the period ended March 31, 2016, 2017, and 2018, respectively.

On page 69, both the compensations for Mr. Feng Zhou and Mr. Yao Shi during the fiscal years ended March 31, 2017 and 2018 are incorrectly stated as zero. The correct numbers should be \$6,986.68 in 2018 and \$5,883.78 in 2017 for Mr. Feng Zhou and \$5,280 in 2018 and \$0 in 2017 for Mr. Yao Shi. Thus, the “Summary Compensation Table” is hereby deleted in its entirety and replaced with the following:
